

MJDF Revision Evenings for 2014

The new, streamlined, MJDF qualification is designed to focus on real-life dental situations and practical ways to deal with them. Our experienced tutors have an excellent track record of helping candidates pass the MJDF. In March/April and September/October 2014, our MJDF Tuition and Revision evenings will focus on passing both Parts 1 and 2 of the MJDF. We will cover essential reading materials, revise past MJDF exam questions and give you experience of SCR and OSCE situations under simulated exam conditions.
