

MJDF tuition from FGDP(UK) Northern

Would you like to take the MJDF in 2013?
And get expert tuition from your peers?

Join FGDP(UK) Northern for a **free introductory evening** to the MJDF on Wednesday 17 July at Bourne House in Durham.

We'll cover all of the essentials for both parts of the MJDF - the course content, dates for study evenings and mock exams as well as answering your frequently asked questions.

The MJDF is *the* benchmark for dentists who want to improve the way in which you practise dentistry. Compared to other similar qualifications it provides you with a greater depth of knowledge which will benefit your day-to-day practice.

Our course is split into two sections and is ideal for anyone planning to take the MJDF **Part 1 in October 2013** and **part 2 in November 2013**. The Faculty's divisional MJDF tuition groups across the UK have pass rates of 90-100% and are run by dentists who know what it's like to have to juggle work and study.
