

## **Apply to be a Dental Examiner Lead**

Applications are invited for the posts of:

- MJDF Part 2 OSCE lead
- MJDF Part 2 Deputy OSCE component lead (x2)
- MJDF Part 2 SCR component lead (x2)
- MJDF Part 2 SCR deputy component lead (x2)
- MJDF Part 1 Deputy component lead
- MJDF Part 1 component lead
- MJDF Examiner Panel Lead

The MJDF is a postgraduate exam aimed at dentists qualified for two years. The Part 1 consists of an MCQ paper. Part 2 involves an Objective Structured Clinical Examination (OSCE) and a Structured Clinical Reasoning Exercise (SCR).

These lead posts would suit those involved in all sectors of dental care [both primary and secondary] who have experience in assessment techniques. Duration of posts are 2013–2016. You will be required to attend around ten meetings a year.

The OSCE and SCR lead will report to the Chief and Deputy Chief Examiners who lead the Joint Examination Core Group (JECG). They will develop the content and structure of the MJDF qualification and ensure the quality of the examinations. The Examiner Panel Lead will have ultimate responsibility for Examiner quality assurance.
